

# TOTAL GUT RESTORATION

																																																																							
Step	 RECONDITION	 REINFORCE	 REBUILD																																																																				
Description	<p>The first 100% spore-based probiotic clinically shown to improve leaky gut by 60% in just 30 days. Boasts a 5-year shelf-life, no need for refrigeration, and maintained efficacy during antibiotic therapy.</p> <p><b>RECONDITIONS</b> the gut by increasing microbial diversity and encouraging the growth of key health-promoting, commensal gut bacteria.</p>	<p>The first Precision Prebiotic™ made of clinically-tested, non-digestible oligosaccharides that selectively feed beneficial bacteria like <i>Akkermansia muciniphila</i>, <i>Faecalibacterium prausnitzii</i>, and <i>Bifidobacteria</i>.</p> <p><b>REINFORCES</b> the beneficial changes created by MegaSporeBiotic™ to promote a strong and diverse microbiome.</p>	<p>The first complete mucosal support supplement of its kind, formulated with key amino acids to <b>REBUILD</b> a healthy mucosal barrier.</p> <p>Contains dairy-free immunoglobulins to support healthy mucosal immunity and a state-of-the-art flavobiotic clinically shown to support microbial diversity and alleviate barrier dysfunction.</p>
